## FACULTY

Principal Marie A. Bagby

To the class of June 1985

We live in a complex society! It has become necessary more and more for us to be intelligently equipped to address the many scientific and technological developments that surround us!

As you move forward in our "changing society" be observant, strive to achieve, and be available to accept "good opportunities" as they arise.

Commitment, dedication and creativity are a few of the ingredients you will need in order to accomplish your goal.

Best wishes and congratulations!

Sincerely,

Marie A. Bagby

# A Vice Principal Is Forever . . . checking, explaining, conferring and examining.

As the school year unfolds, a proportional rise occurs in the complexity and variety of administrative responsibilities. Shouldering the additional burdens, and assuming an ever increasing role in school administration, are the Vice-Principals. Each one supervises a certain phase of the work, thus dividing the tremendous task and assuring more efficient administration in all areas. The V.P.'s are an essential aid to the Principal, assisting her with her many duties as well as fulfilling their own jobs in the most efficient way possible.

## The Skilled Organizers

The secretaries in the main office and guidance office have jobs that only highly skilled organizers can handle. Without them Barringer could not function. Their jobs include doing all the correspondence, school records; clerical duties, and of course answering the numerous phone calls that the school receives every day.

## Guidance

To assist each student to understand himself and plan for his future are the goals of the Guidance Department. Besides scheduling courses for graduation requirements, counselors see students for help with personal, social, educational, and vocational matters. Scholarship competitions, Summer Programs such as Upwardbound, E.O.F. programs, and college acceptance in Pre-Med or Pre-Dental Financial Assistance Programs are all areas the Guidance Department exposes our students to.

## Science

In order to be technologically literate in today's world, the high school graduate must have a basic understanding of Science. Barringer is the only Senior H.S. in Newark in which the Science Department includes Electricity and Electronics among its courses. The Science Department also offers Barringer students a wide selection of both college and non-college bound courses. The Honors integrated science program offers a two year unified study of Chemistry and Physics with a unique team teaching approach. Tutorial assistance is provided to all Science students. The Science Department presents the following major awards to outstanding seniors:

The Otto Melito award — excellence in Biology, Chemistry, Physics.

The Roger B. Saylor Medal — excellence in Science.

The William Pecora Medal and cash award — initiative and creativity in Science.

The Rensselaer Medal — Academic excellence in Science.

Bausch and Lomb Medal — Academic excellence in Science.

# Math

Is it inches or meters? How do you use a computer? Is there a new math? In answering some of these questions the Mathematics Department stimulates the students to develop a working knowledge of basic math skills in preparation for employment or daily life. Courses for the college bound students or the exceptional individual are in the math curriculum. In this age of rapidly advancing technology and use of computers, the knowledge of Mathematics becomes increasingly significant.

## English

Proficiency in the effective use of written and spoken language and the meaningful interpretation of literature are the basic objectives of the English Department. Therefore, in the regular course of study the mandatory offerings emphasize the functional use of language and communication skills, writing, and various forms of literature. At the end of the senior year distinguished graduates receive prizes in English and English as a second language.

## Social Studies

Why is youth in rebellion? Are the lines between capitalism and communism blurring? What has man achieved in his evolution through the centuries? These are some of the vital issues that our Social Studies classes consider each day. Through the study of civilization students learn to think, to evaluate, to determine, to interpret, and to apply knowledge to the solution of everyday human problems. Course offerings such as Law in Action, Sociology, Psychology, and Labor Studies prepare students to be active, aware citizens.

# Foreign Language

The study of modern foreign languages is vital to communicate in a shrinking world. An asset in many ways: business, industry, commerce, civil service education, Law, media, science and many more jobs. At Barringer the Foreign Language Department aids the student in the progressive ability to speak, read, express, and ultimately to comprehend and enjoy a second language. The geographical, political, and cultural aspects of the foreign nation are studied as well as its contributions to western civilization. Colleges today are offering career oriented foreign language programs. Anyone with a foreign language major in college is in a strong position to follow a career as a language specialist in a number of professions.

## Business

Business Education Training has resulted in employment for many thousands of Barringer graduates. Students are trained for entry jobs such as secretaries, bookkeeping, typist and clerks. Young people also learn how to cope in society and in their own homes by becoming familiar with real life situations: keeping a checkbook, buying insurance, keeping a budget, filing income tax returns etc. While the department prepares students to succeed and advance in business, the outstanding students are encouraged to go to college to pursue professional careers in accounting, computer programming and the teaching of Business Education.

## Physical Education

Physical fitness seems to be an increasing concern in America today. Our Physical Education Department offers courses and activities that motivate Barringer students to pursue a higher degree of fitness. Through sports such as Volleyball, Basketball and Track, the participants develop their skills and bodies. Apparatus techniques and exercise routines are employed to maintain strength, improve coordination and encourage social interaction. The department also offers a variety of health education courses to prepare the students for a stable, rewarding family and community life.

# Music

Music is an important part of a high school student's life. The Music Department offers courses such as Music Foundations and General Music to those who seek a general knowledge of music. Specialized courses and activities such as Orchestra, Blue Jackets Band, Latin Band, Chorus, and instrumental lessons, are offered to those who desire a deeper understanding of the music world.

## Art

The creative approach is the direction the art Department follows in relating the subject of Art to the realities of life. Art Foundation, Art Survey, General Art, and Studio Art comprise the course offerings. These Art courses are designed to encourage awareness of aesthetic values; to explore various Art media and materials; and to develop the creative potential of each individual. Many senior Art students graduate from Art schools to become Commercial Artists, professional photographers or Art instructors.

# Home Economics

To become successful employees, homemakers, and parents, and to learn techniques in consumer awareness Barringer students can elect a course in home economics. The cooperative home economics work study program prepares students to be successful employees through job training and actual part-time employment. Food and Clothing classes develop the students' homemaking skills, while Consumer Education teaches purchasing skills. There is also a course titled Early Childhood where students actually work with young children in a room decorated and furnished like a nursery school.

# Special Education

Special Education is generally accepted to mean education designed for, and available to, exceptional individuals (handicapped and gifted) whose educational needs are different in part from those of the most of their peers. Children and youth in need of special education are not limited to specific categories. Rather, they include all those who require unusual curricular or instructional adjustment throughout their school career or some significant portion of it. Barringer's special education is built on the concept of understanding unusual differences among the school-age population and meeting individual needs.

## Media Center

A multi-media center, a study hall, a meeting place, an instructional area, Barringer library has become all of these. Through systematic selection of books, pamphlets, records, and magazines, the librarians have accumulated collections of materials most beneficial to students interested in programs of study. An organized instruction program is available, whereby students are taught the proper use of library facilities. Though our library staff is small, considering the size of the total area, they are accomplished individuals who are always ready to give aid to the student in need of assistance.

Angel is well known by her classmates. She plans to attend Morgan State University and pursue a career in computers. She is currently co-captain of Barringer's Colorguard Flag-Line and has been a Colorguard since entering the Big Blue.

Miss January, Dawn Jones

Miss January feels that her single most sought after goal would be to counsel youths, who have gone astray of the law. She would like to spare the parents of those children the pain of disappointment.

Miss February, Pamela Taylor

Miss February, being an Aquarius, is an avid party goer and skater. She enjoys meeting new people and enjoys life to the fullest. Pamela is an outspoken person who especially enjoys communicating with the opposite sex.

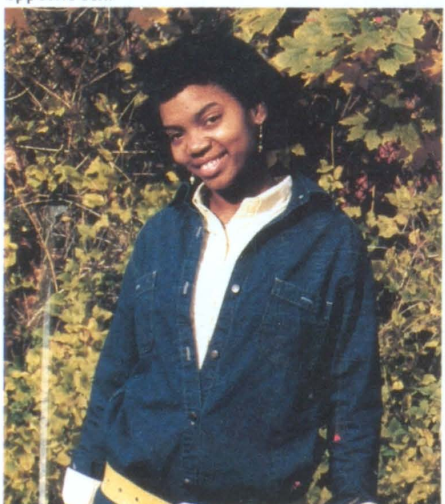

Mr. February, Reynaldo Ramirez

A very active physical person Ray competes in many sports. Since his sophomore year at Barringer he had planned to join the Military. Mr. February will join the Marine Corps after Graduation.

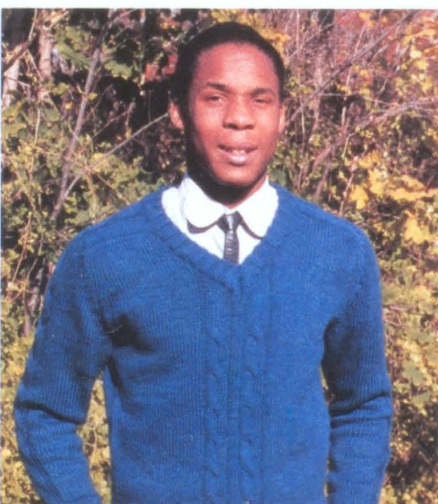

Miss March, Franchetta Daniels

Miss March is a talker and singer. As assistant secretary of a club called Rap Session and a member of a young adult choir, she loves to be seen and heard. Franchetta's goal in life is to attend the Robert Walsh School and become an Accountant.

Miss April, Monica Currey

Miss April enjoys dancing and skating during her free time. Monica's plans after graduating from Barringer include working as a lab technician. She would like to attend N.J.I.T. or Fisk University.

Mr. April, Robert Gary

Robert is a very active and ambitious person. He has joined as many clubs and activities as he possibly has time for both in and out of school. Mr. April feels that the key to being a happy person is keeping busy and loving life to the fullest.

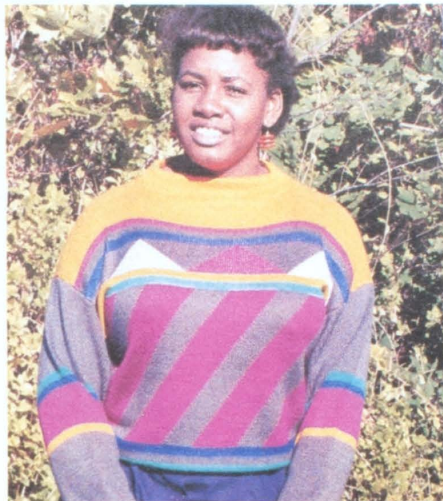

Miss May, Adrienne Matthews

Miss May characterizes herself as a gregarious person. She is friendly, kind, and courteous to all. Adrienne plans to attend Morgan State University in the fall.

**Miss May, Yvette Martin**  
Yvette believes that she is a very ambitious young lady who will become a success in life. She likes to spend her idle hours sewing and participating in contests. After graduation Miss May will attend business school.

**Miss June, Loraine McDonald**  
Loraine enjoys reading, writing and listening to music. She is determined to be a success. Miss June plans to study Law or Journalism at Morgan State when she graduates from Barringer.

**Miss July, Christie Arrington**  
Miss July gives credit to her mother for instilling inspiration in her life. She enjoys skating, singing, acting and listening to El Debarge records. Christie plans on attending Montclair State or Jersey City State after graduation.

**Miss August, Tracey Griffin**  
Tracey enjoys talking, singing, and dating. She has many friends and likes to spend time with them. Miss August will attend Howard University in the fall to become an R.N.

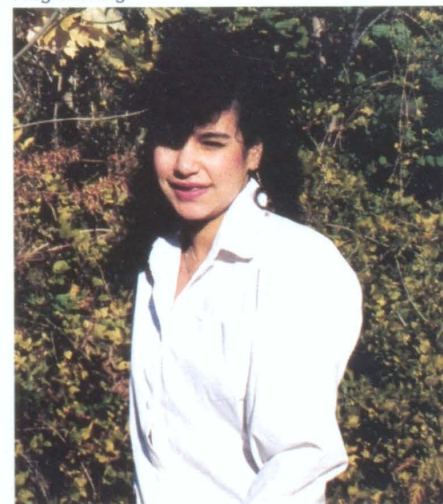

**Miss September, Wanda Roman**  
Miss September's favorite pastimes are rollerskating and dancing. She is confident that she will succeed at whatever she chooses to do. Wanda is planning to attend Rutgers and take courses in Computer Programming.

**Mr. September, Melvin Sykes**  
Melvin's motto is "Life is a precious gift, but is worthless unless shared." Mr. September is involved in many activities among which is entertaining and promoting Music. His plans for the future include attending the Center of Media Arts.

**Miss October, Gina Reynolds**  
Gina, a popular senior, likes to be around lively people. Miss October will attend business school to become a secretary after graduation. Her main goal is to succeed in life.

**Miss November, Catalina Aponte**

# Home Coming Pageant Winners

The Home Coming pageant, a senior class fund raiser, gave some of Barringer's young ladies an opportunity to display their talents. Contestants' qualifications were to exhibit good character, to have achieved at least a 2.0 grade point average in school work and each person was to have collected votes from their fellow classmates. On the evening of the Pageant a panel of five judges had the difficult task of selecting one winner for each class. Miss Barringer would be the winner from the Senior class. The judges were: Mrs. A. Baskerville, Mrs. D. Smith, Mrs. E. Blackmon, Mrs. R. Wright and Mr. M. Daniels. Contestants were judged on their skills at public speaking, talent, and fashions.

# ACTIVITIES

# Amateur Radio Club

Learning about radio and television communications as a hobby or as a potential occupation, video taping, stage lighting, sound systems, world wide communications are some of the activities of the Radio Club. Students enriching their knowledge of the related technology are also taught to use such equipment as a two way communicator, that can put them in touch with other radio hams world wide, and with space shuttles. The club is also a Newark Chapter (K-B-O-D 713) of REACT, which stands for Radio Emergency Action Communication Team. One of our present members; Nicole Lettman, has already received her Amateur Radio License.

## Electricity Club

Sitting: Ildaria Lebron, (sec.), Robert Williams, Wallace Hunt, Johnny Loe. Middle: Mr. Rodgers, Terrell Simmons, Richard Webb, William Maldonado. Top: Daniel Morales, Desi Singletary, Mark Robinson.

Did you ever have the urge to build projects that functioned electrically? Are you interested in electricity? The Electricity Club is the Organization to join. Members of this group learn what electricity is, where it comes, and why it exists. New concepts in electrical technology and jobs orientation are also discussed, with the possibilities of pursuing a career in some aspect of electricity.

Advisor: Clarence Rodgers.

## Close-Up Club

Angelita Jones, Iola Nickman, Mr. Berggren, Duvette Hill, Gwendolyn Curtis.

Do you understand how our laws are developed? Do you understand the term "lobbying"? How is a bill vetoed? These are some of the questions that the Close-Up club answers at their meetings. Close-Up consists of a group of determined and dedicated students who research the functions of our government and study the way it operates. Each year, a selected number of members from the club visit Washington, D.C. and Trenton, N.J. At these visits the Close-Up students examine the federal and state governments.

A newly organized group, the Brass Ensemble performs the highly specialized Material composed for brass instruments. The weekly rehearsals are designed to build technique and style demonstrated at the various concerts, festivals and clinics the members participate in. Advisor: Stuart White.

# Latinos

(front row) Luis Vega, Jose Rivera, Hector Lugo, (back) Angel Rivera, Fidel Santos, Benedicto Nieves.

Promoting awareness of Hispanic Culture through the development of skills necessary in the performance of Hispanic music is the purpose of the Latin Band. This special group has performed for the Bilingual Educators, the Art Educators, the Barringer H.S.P.T.A., Police Awareness Week, and various other community and cultural events.

Advisor: Mr. Berggren

## Blue Jackets

Raymond Tucker blasting one out.

The Blue Jackets originated in the "old" Barringer, and was a highlight at all the concerts. The group has been formed again this year to perform many Styles of Big Band Jazz as well as contemporary Rock and Soul music. The members of the Blue Jackets are the "cream" of the student musicians at Barringer. The band performs at school concerts and assemblies, and at the Teen Arts Festival where they received high ratings.

The main promoters of spirit during this 1984-85 year have been, as always the Marching Band. The basic goal of the band is to build an enthusiasm for music along with musical taste so that performance standards worthy of each participant's abilities can be achieved. The band performs at football games, parades, and concerts throughout the school year. Members of the band who have developed a high level of musical skill are selected to perform in special ensembles such as: Blue Jackets, Brass Ensemble, Percussion Ensemble and Woodwind Ensemble.

# Chorus

The Barringer Chorus, under the guidance of Mrs. Bea Herring, is a very talented group of students who perform in different areas of the city. The Chorus consists of 83 beautiful voices who put in many hours of work to achieve nothing but the best. Performing with this group is an earned privilege, not a right inherent in having chorus, the participant is no longer an individual, but a part of an organization known and respected city wide for its consistency in delivering high quality performances. The Chorus performed at the Symphony Hall, Newark Airport, Newark Museum, Jersey City, Newark Rutgers, Barringer Prep, and Broadway Junior High School. Advisor: Bea Herring

## Upcoming Possibilities

Whenever a new person assumes the coaching responsibilities in a sport, it takes a few years before the players reflect his style and directions. So it was in football where the Blue Bears suffered a disappointing season. Under the helm of Mr. Frank Antonacci, once an outstanding halfback at Barringer, the team opened the season to a heartbreaking 15-14 loss to Columbia H.S. Unable to jump into the winning column, the squad however did tie West Side. Coach Antonacci felt the bright aspect of the season was the inspired play of such younger players as Craig Belfield who captured All-Essex County honors. We are confident Mr. Antonacci and his staff will put our school back on track and continue the tradition of the Big Blues winning ways.

In all sports playing knowledge and determination are successful year. This year in Soccer, 4 seniors, the team lacked the compatibility to develop the intricate plays necessary in the game. Although Coach Anthony Molinaro stressed a tough defense, the team succumbed to lack of experience and an especially difficult schedule. ## Dedicated to Our Parents

For those outstretched arms that were always there,  
For those tender words in any moments of despair,  
For your many sacrifices as the years passed by,  
For insisting that my wants come to life while  
Your dreams die.

And even for that iron fist which kept me in place,  
For years and years of making me your reason for  
being

For accepting me for the woman I am Today  
Instead of the one you dreamed of yesterday,  
For always caring and sharing . . .

Mother, Father, for all this and certainly much  
much more . . .

To you I give my eternal love.

Cynthia Bradley

## To Love

To love is to share  
the good and the bad  
the joys and the sorrows  
sad days and glad.

To love is to give  
again and again  
to please and to pamper  
such joys it will bring.

To love is to forgive  
the large and the small  
as forgiving then to forget  
instead to recall.

To love is to lose  
something precious and dear  
yet gratefully giving it up  
without even a tear.

Yolanda Crespo

## As Long as You Are Here

As long as you are with me  
My spirits will be high  
And whatever may come to be  
Somehow I will get by  
You are to me a guiding light  
Shining so tenderly  
With you I'll Never lose my way  
You hold the future's key  
Whenever I am saddened  
By the weights that I must bear  
Somehow my faith is strengthened  
Just knowing you're there  
Strange how a kiss  
A gentle smile  
Can drive grey clouds away  
You do all this  
And so much more  
By my side always stay  
Each night before I go to sleep  
I thank dear God above  
For giving me someone like you  
To cherish and to love.

## The Girl in the Glass

When you get what you want in  
your struggle for self  
And the world makes you a queen  
for a day,  
Just go to the mirror and look  
for yourself  
And see what that girl has to say.  
For it isn't your father or mother  
or friends  
Who judgement upon you must pass  
The person whose verdict counts  
most in your life  
Is the one staring back from the  
glass  
Some people may think you a  
straight shootin' chum  
And call you a wonderful girl,  
But the girl in the glass says  
you're only a bum  
If you can't look her straight in  
the eye  
She's the person to please, never  
mind all the rest  
For she's with you clear up to the  
end  
And you've Passed your most  
difficult test  
If the girl in the glass is your  
friend  
You may fool the whole world down  
the pathway of life  
And get pats on your back as you  
pass  
But your final reward will be  
heartaches and tears  
If you've cheated the girl in the  
glass
